Subject: Acquisition and Acceptance of right-of-way at the northwest corner of Shepherd and Fowler Avenues.

Dear Mr. White:

The City of Clovis needs to acquire right-of-way for Shepherd Avenue from two parcels at the northwest corner of Shepherd and Fowler Avenues. The right of way is needed to widen of Shepherd Avenue consistent with the approved street plan line. The City requests that the County of Fresno grant the City the authority to acquire the proposed right of way including eminent domain, if necessary.

The City understands that County review, approval, plan check, and inspection will be required for any portion of the project located within County jurisdiction. Responsibility for the maintenance of improvements constructed will be identified per a separate agreement.

Please contact Ryan Burnett at 324-2336 if you need additional information.

Sincerely,

Thad Avery, PE
City Engineer
