---

**WHEREAS**, the Fresno Council of Governments (FCOG) Measure C Transit Oriented Development Program Cycle 14 grant applications were due March 3, 2026; and

**WHEREAS**, procedures established by FCOG require the grantee’s governing body to certify by resolution the approval of project application(s); and

**WHEREAS**, the Department of Public Works and Planning (Department) submitted an application to FCOG for funding on March 3, 2026; and

**WHEREAS**, this project would build sidewalks and bike lanes on a half-mile County-maintained section of the street that has none, but which is adjacent to City-maintained segments which have both. Therefore, this project would fill a gap in safety infrastructure. There are also six transit stops within this stretch, some of which are in unsafe locations and must be made ADA compliant; and

**WHEREAS**, the Pedestrian/Bike Improvements on Chestnut Avenue from Shields Avenue to Clinton Avenue proposed by the Department meets the program policies and guidelines as stated by the Measure C Transit-Oriented Infrastructure for Infill Development as created in the 2006 Measure C Extension Plan In support of community-based transit projects; and

**WHEREAS**, the Department desires to ensure that its projects are developed through an inclusive planning process with broad private-public partnerships and outreach; improve the range of transportation choices by supporting transit facilities and improving links between facilities and activity nodes; and support well-designed, high-density housing and mixed uses near transit; and

NOW THEREFORE BE IT RESOLVED, that the Fresno County Board of Supervisors hereby
