5 ORDINANCE NUMBER _____

6 AN ORDINANCE OF THE BOARD OF SUPERVISORS OF THE COUNTY OF
7 FRESNO AMENDING THE ORDINANCE CODE OF THE COUNTY OF FRESNO BY
8 ADDING NEW CHAPTER 10.72 REGULATING AND PROHIBITING THE SALE AND
9 DISTRIBUTION OF KRATOM PRODUCTS ~~TO MINORS~~ IN UNINCORPORATED
10 AREAS OF FRESNO COUNTY ~~TO A PERSON UNDER 21 YEARS OF AGE.~~

11 The Board of Supervisors of the County of Fresno ordains as follows:

12 **Section 1. FINDINGS.** The Board of Supervisors of the County of Fresno hereby finds
13 and declares as follows:

14 WHEREAS, it is the intent of the Board of Supervisors to prohibit the sale and
15 distribution in unincorporated areas of Fresno County, ~~to persons under 21 years of~~
16 ~~age~~, of kratom and other products that contain ~~more than 2% of 7-hydroxymitragynine~~
17 in the alkaloid fraction, as well as any synthetically created substance intended to
18 mimic the effects of kratom and other products that contain more than 2% of 7-
19 hydroxymitragynine in the alkaloid fraction, recognizing the significant health risks
20 associated with elevated concentrations of this alkaloid;

21 WHEREAS, kratom (*Mitragyna speciosa*) is a tropical tree native to Southeast
22 Asia, and its leaves are often consumed in powdered or extract form for their
23 stimulant and sedative effects;

24 WHEREAS, the active compounds in kratom include mitragynine and 7-
25 hydroxymitragynine. While mitragynine is present in higher concentrations, 7-

1 hydroxymilragynine is very potent and is largely responsible for its strong pain-
2 relieving, sedative, and euphoric effects;

3 WHEREAS, 7-hydroxymitragynine binds to opioid receptors in the brain and
4 has been shown to have euphoric and mood-enhancing effects, particularly at higher
5 doses, which can increase its appeal for recreational use;

6 WHEREAS, the potent effects of kratom alkaloids raise significant concerns
7 about its safety profile, especially regarding the potential for addiction, overdose, and
8 adverse physical and psychological effects, including nausea, vomiting, and potential
9 psychosis. These risks are compounded when products contain higher
10 concentrations of 7-hydroxymitragynine;

11 WHEREAS, scientific research and health advisories have raised concerns
12 over the safety of kratom products, particularly those with higher concentrations of 7-
13 hydroxymitragynine, which may increase the potential for abuse and harm to public
14 health;

15 WHEREAS, the U.S. Food and Drug Administration has issued several
16 warning letters to various companies for illegally marketing products containing
17 enhanced levels of 7- hydroxymitragynine, culminating in a formal request to the Drug
18 Enforcement Administration (DEA) on July 29, 2025, to place 7-hydroxymitragynine
19 products on the controlled substance list;

20 WHEREAS, the Board of Supervisors is committed to safeguarding the health
21 and well-being of its residents by ensuring that products available for sale do not
22 pose undue health risks ~~to persons under the age of 21~~; and

23 WHEREAS, the Board of Supervisors wishes to restrict the sale and
24 distribution of kratom and other products containing ~~more than 2% of 7-~~
25 hydroxymitragynine in the alkaloid fraction in unincorporated areas of Fresno County,

as well as synthetically created substances intended to mimic the effects of kratom,
~~to persons under 21 years of age,~~ thereby reducing potential risks to public health
and safety.

NOW, THEREFORE, the Board of Supervisors hereby ORDAINS as follows:
