The Contractor may also organize community outreach events and educational programs to promote responsible pet ownership and prevent conflicts between dogs and humans.

Furthermore, the Contractor, in its discretion, is authorized to handle and impound dogs that are found in violation of the leash law or other relevant ordinances. The Contractor shall obtain an endorsement to this policy naming the County of Fresno, its officers, agents, employees, and volunteers, individually and collectively, as additional insureds, but only insofar as the operations under this Agreement are concerned. - (B) Automobile Liability. Automobile liability insurance with limits of not less than One Million Dollars (\$1,000,000) per occurrence for bodily injury and for property damages. Coverage must include any auto used in connection with this Agreement.
- (C) **Workers Compensation.** Workers compensation insurance as required by the laws of the State of California with statutory limits.

Definition of Cyber Risks. "Cyber Risks" include but are not limited to (i) Security Breach, which may include Disclosure of Personal Information to an Unauthorized Third Party; (ii) data breach; (iii) breach of any of the Contractor's obligations under Article 15 and Exhibit E of this Agreement; (iv) system failure; (v) data recovery; (vi) failure to timely disclose data breach or Security Breach; (vii) failure to comply with privacy policy; (viii) payment card liabilities and costs; (ix) infringement of intellectual property, including but not limited to infringement of copyright, trademark, and trade dress; (x) invasion of privacy, including release of private information; (xi) information theft; (xii) damage to or destruction or alteration of electronic information; (xiii) cyber extortion; (xiv) extortion related to the Contractor's obligations under this Agreement regarding electronic information, including Personal Information; (xv) fraudulent instruction; (xvi) funds transfer fraud; (xvii) telephone fraud; (xviii) network security; (xix) data breach response costs, including Security Breach response costs; (xx) regulatory fines and penalties

Exhibit C

related to the Contractor's obligations under this Agreement regarding electronic information, including Personal Information; and (xxi) credit monitoring expenses.

2. Additional Requirements

- (A) Verification of Coverage. Within 30 days after the Contractor signs this Agreement, and at any time during the term of this Agreement as requested by the County's Risk Manager or the County Administrative Office, the Contractor shall deliver, or cause its broker or producer to deliver, to the County of Fresno, Department of Public Health, P.O. Box 11867, Fresno, CA 93775, Attention: Contracts Section 6th Floor, or email, DPHContracts@fresnocountyca.gov, certificates of insurance and endorsements for all of the coverages required under this Agreement.
 - (i) Each insurance certificate must state that: (1) the insurance coverage has been obtained and is in full force; (2) the County, its officers, agents, employees, and volunteers are not responsible for any premiums on the policy; and (3) the Contractor has waived its right to recover from the County, its officers, agents, employees, and volunteers any amounts paid under any insurance policy required by this Agreement and that waiver does not invalidate the insurance policy.
 - (ii) The commercial general liability insurance certificate must also state, and include an endorsement, that the County of Fresno, its officers, agents, employees, and volunteers, individually and collectively, are additional insureds insofar as the operations under this Agreement are concerned. The commercial general liability insurance certificate must also state that the coverage shall apply as primary insurance and any other insurance, or self-insurance, maintained by the County shall be excess only and not contributing with insurance provided under the Contractor's policy.
 - (iii) The automobile liability insurance certificate must state that the policy covers any auto used in connection with this Agreement.
 - (iv) The cyber liability insurance certificate must also state that it is endorsed, and include an endorsement, to cover the full replacement value of damage to, alteration of, loss of, or destruction of intangible property (including but not limited to information or data) that is in the care, custody, or control of the Contractor.
- (B) **Acceptability of Insurers.** All insurance policies required under this Agreement must be issued by admitted insurers licensed to do business in the State of California and possessing at all times during the term of this Agreement an A.M. Best, Inc. rating of no less than A: VII.
- (C) Notice of Cancellation or Change. For each insurance policy required under this Agreement, the Contractor shall provide to the County or ensure that the policy requires the insurer to provide to the County, written notice of any cancellation or change in the policy as required in this paragraph. For cancellation of the policy for nonpayment of premium, the Contractor shall, or shall cause the insurer to, provide written notice to the

Exhibit C

County not less than 10 days in advance of cancellation. For cancellation of the policy for any other reason, and for any other change to the policy, the Contractor shall, or shall cause the insurer to, provide written notice to the County not less than 30 days in advance of cancellation or change. The County in its sole discretion may determine that the failure of the Contractor or its insurer to timely provide a written notice required by this paragraph is a breach of this Agreement.

- (D) County's Entitlement to Greater Coverage. If the Contractor has or obtains insurance with broader coverage, higher limits, or both, than what is required under this Agreement, then the County requires and is entitled to the broader coverage, higher limits, or both. To that end, the Contractor shall deliver, or cause its broker or producer to deliver, to the County's Risk Manager certificates of insurance and endorsements for all of the coverages that have such broader coverage, higher limits, or both, as required under this Agreement.
- (E) Waiver of Subrogation. The Contractor waives any right to recover from the County, its officers, agents, employees, and volunteers any amounts paid under the policy of worker's compensation insurance required by this Agreement. The Contractor is solely responsible to obtain any policy endorsement that may be necessary to accomplish that waiver, but the Contractor's waiver of subrogation under this paragraph is effective whether or not the Contractor obtains such an endorsement.
- (F) County's Remedy for Contractor's Failure to Maintain. If the Contractor fails to keep in effect at all times any insurance coverage required under this Agreement, the County may, in addition to any other remedies it may have, suspend or terminate this Agreement upon the occurrence of that failure, or purchase such insurance coverage, and charge the cost of that coverage to the Contractor. The County may offset such charges against any amounts owed by the County to the Contractor under this Agreement.
- (G) **Subcontractors.** The Contractor shall require and verify that all subcontractors used by the Contractor to provide services under this Agreement maintain insurance meeting all insurance requirements provided in this Agreement. This paragraph does not authorize the Contractor to provide services under this Agreement using subcontractors.
